3. **Community banking**

Sustainability for employment

4. **Personal branding**

Website, accounts and finance with MLB Learning Solutions

Digital Inclusion: web, accounts and finance for all

We'll introduce you to the things that you need to consider before you start your website project, as well as all the things you need to consider to stay on top of your finances.

After the training is complete, we're still around to provide support throughout the year and we'll also file your accounts at the end of the year too.

Smartphone store management with Uome

Uome

Point-of-Sale: chat, tap, web

Setting up shop ? We'll introduce you to how you can use your smartphone to easily set up your product catalogue on your phone and on the web, then sell your products by tapping your phone, sending payment links in your favourite messaging app, or directing shoppers to your website.
